Aesthetics Clinic

Aesthetics treatments you can trust

Dermal Filler

Restore volume, smooth lines, and enhance your natural features with our expertly administered dermal filler treatments. Our practitioners use only premium, clinically approved products to deliver safe, natural-looking results tailored to your unique facial anatomy.

[Explore Aesthetics Services](#)

Micro-needling

Stimulate your skin's natural regeneration process with micro-needling therapy. This minimally invasive treatment encourages collagen production, improving skin texture, tone, and the appearance of fine lines, scars, and enlarged pores.

Pharmacy & Health Services

From everyday prescriptions to specialist health monitoring, Ashworths Clinic provides a full suite of pharmacy and health services designed to keep you well and informed.

NHS Prescriptions

Convenient, discreet, and hassle-free access to the medicines you need.

[Learn More](#)

Blood Pressure Monitoring

Fast, accurate testing with peace of mind results.

[Learn More](#)

Pharmacy First Services

Fast, reliable service delivered in complete confidence.

[Learn More](#)

Vaccination Services

Protect yourself and your loved ones with our expert vaccination services. Whether it's the seasonal flu or preparing for international travel, Ashworths Clinic has you covered with professional, timely immunisation care.

Flu Vaccinations

Protect yourself and your loved ones this flu season. Our flu vaccination service is quick, safe, and available throughout the season. Don't wait — early vaccination gives your immune system the best chance to build protection before flu circulates widely.

[Book Flu Vaccination](#)

Travel Vaccinations

Stay protected wherever you travel with expert travel vaccinations. Our travel health specialists will assess your destination, itinerary, and personal health history to recommend the right vaccinations and preventive measures for your trip.

Specialist Health Services

Ear Wax Removal

Safe and effective relief from discomfort and hearing issues. Our trained clinicians use the latest microsuction and irrigation techniques to gently and safely remove ear wax, restoring your hearing and comfort quickly.

[Book Appointment](#)

Weight Loss Therapy

Personalised plans to help you achieve your goals safely. Our weight loss therapy combines clinical assessment, lifestyle guidance, and where appropriate, medically supervised treatments to support sustainable, healthy weight management.

Why Choose Ashworths Clinic?

We believe great healthcare is about more than just treatment — it's about building trust, providing continuity of care, and making expert services genuinely accessible to everyone in our community.

Patient-Centred Care

We listen, support, and guide you through every step of your healthcare journey, ensuring your needs and preferences are always at the heart of what we do.

Aftercare Commitment

Our care doesn't end when you leave the clinic. We follow up, check in, and remain available to support your recovery and ongoing wellbeing.

Accessible & Convenient

Open Monday to Saturday, we make it easy to fit healthcare around your busy life. No unnecessary waiting — just timely, professional care when you need it.

Competitive Pricing

High-quality healthcare that's affordable. We believe everyone deserves access to excellent clinical care without financial barriers.
